MUSICAL PRODUCTION
ON TOUR IN 2024-2025

Sound and light : Nikola Carton
Voice Off : Oldelaf

What if you spent an evening at Boris Vian's ?

A large rug at the center of the stage reminds us of an interior from the 1950's.
About thirty musical instruments are scattered or hanging there, suspended on lampshades
of all sizes and colors, playing with the six twirling musicians of DEBOUT SUR LE ZINC :
trumpet, violin, double bass, sax, banjo, guitar, flute, triangle, drums...

All present to give the show the musical diversity that Boris Vian
would have liked.
